

GLOBAL WARMING WARNING  
— WE MUST ACT NOW!

# FACING THE FUTURE: THE CLIMATE SUMMIT IN COPENHAGEN AND BEYOND

An International Conference at  
Central European University, Budapest  
November 4, 2009

Join us and be a part of this  
World Science Forum 2009  
Satellite event!

## Discuss challenging climate issues:

SCIENCE with **Márton Jolánkai**  
[Szent István University, Hungary]  
and **Tamás Pálvölgyi** [BME, Hungary]

TECHNOLOGY with **Lena Neij** [University of Lund,  
Sweden], **Anders Jensen** [Pannon GSM, Hungary]  
and the Hungarian Green Building Council.

POLICY with **Tomás Kåberger** [Swedish Energy  
Agency] and **Sándor Kerekes** [Corvinus University,  
Hungary]

FUTURE with **Dennis Meadows** [University of New  
Hampshire, US] and **Sándor Fülöp** [Ombudsman for  
Future Generations, Hungary]

As a participant you receive a Certificate signed  
by the organizers.

## Come and listen to:

### Dennis Meadows

[Professor, Author of "Limits to Growth"/New  
Hampshire University, US]

### Anders Wijkman

[Deputy Chair of the Rome Club and the Tällberg  
Foundation, MEP 1999-2009, Sweden]

### Diana Ürge-Vorsatz

[Lead Expert of the 2007 Nobel Peace Prize co-  
winning IPCC/CEU, Hungary]
